9. Wish list	A collection of the items that the buyer would like to buy.

# USER STORIES

1. As a user, I want to be able to create my own account so that I can use the same account to login in the future.
2. As a user, I want to be able to log in with my Email or Username so that I can use the website.
3. As a buyer, I want the furniture to be categorized so that I can easily find the kind of furniture I need.
4. As a buyer, I want to be able to check the full categories so that I can find something that I may have interest in.
5. As a buyer, I want to see the detailed descriptions of the item so that I can know whether this item matches my needs.
6. As a buyer, I want to know the price of the used furniture so that I can decide whether the price is reasonable.
7. As a buyer, I want to see the location of the used furniture so that I can decide whether it is convenient enough to pick it up.

# USER STORIES

8. As a buyer, I want to add some items to my wishlist so that I can revisit these items next time.

9. As a buyer, I want to be able to send a message/email to the seller so that I can request the furniture I would like to buy.

10. As a seller, I want to stay away from spams so that I prefer a request form without exposing email or phone numbers.

11. As a seller, I want to be able to describe the items I am selling so that the potential customers can have basic information about the item.

12. As a seller, I want to be able to upload pictures of the furniture I am selling so that potential customers can have a visual view of the item.

13. As a seller, I want to be able to set the pick up location so that the potential customer can know where to pick it up.

14. As a seller, I want to choose main category and sub-category for my furniture so that it can be well classified and easier for buyers to search for.

# *USER STORIES*

15. As a user, I want to be able to revise my profile so that I can keep my personal information up to date.

16. As a user, I want to be able to reset my password so that I can keep my account safe in case I expose my old password.

17. As a user, I want to upload a profile photo so that others can have an initial impression on me.

18. As a seller, I want to see all the messages that buyers sent to me so that I can choose a buyer to make the trade.

19. As a buyer, I want to check my own browsing history so that I can know what furniture I have already browsed.

20. As a buyer, I want to have a wishlist so that I can recheck the item if I am ready to buy it.

21. As a user, I want to be able to log out so that I can keep my personal information secure.
